

**Lenette Lee** (*violin*) played in MYSO during her four years as a Lewis University undergraduate. She graduated this past December and is planning to attend Saint Mary's of the Woods in Indiana to pursue a degree in music therapy. She received multiple scholarships, graduated *Magnum Cum Laude*, and received the Senior Award at Lewis for music. Lenette will always remember the laughter we shared together as an orchestra, as well as Dr. Sisk's history lessons behind the pieces we played.

**Mia Melde** (*cello*) has been a part of MYSO's cello section for three years. She is graduating from Lincoln Way Central with an academic scholarship to pursue engineering at Ohio State University. Mia has enjoyed making a lot of great friends in this orchestra, but especially within her cello section. She will miss being a part of her section's group picture that they always take after every concert.

**Andrew Mohr** (*horn*) had been waiting a full year to play in MYSO, finally playing in the orchestra this past January when COVID restrictions were lifted for brass players. Drew is graduating from Plainfield South High School and will start his journey at Joliet Junior College to study Electrical Engineering. His favorite memory of MYSO was to finally be able to play in our March concert in-person for the first time with a great bunch of musicians.

**Madison Randle** (*violin*) has been a part of MYSO for over three years and will be graduating from Acellus Academy with high honors. She will be studying electrical engineering technology at Northern Illinois University this fall, where she has received the highest merit scholarship. Madison loved playing Beethoven's *Symphony No. 5* with MYSO during the 2019-2020 season.

**Margaret Randle** (*viola*) played in MYSO for three years and will be graduating from Acellus Academy. She will be attending Northern Illinois University to study environmental engineering technology. She is graduating with high honors and has received the highest merit scholarship for NIU. Margaret enjoyed playing at the Joliet Bicentennial Park concert in the summer of 2019.

**Loralei Summers** (*cello*) spent her four years at Lewis playing in MYSO. Loralei was awarded the Lasallian Commencement speaker award and is the only student speaker for graduation. Upon graduation, she hopes to begin her career as a biology research assistant. Loralei will miss listening to Dr. Sisk ramble on about certain composer or Operas. MYSO will miss Loralei's sense of humor and fun energy!

**Kevin Xu** (*concertmaster*) has been a part of MYSO for one season. Kevin is graduating from Naperville North High School and while undecided on a college, he intends to major in computer science. He is a National Merit Scholarship finalist, and especially enjoyed MYSO's first concert with Maestro Lipari this past March.

## SENIOR SPOTLIGHTS

### CONGRATULATIONS TO OUR GRADUATING SENIORS!

**Claudia Danowski** (*cello*) has been playing in MYSO during her four years at Lewis University. She is graduating from the College of Nursing, where she has been inducted into the nursing honor society, Sigma Theta Tau. Claudia has enjoyed everyone's presence in MYSO, but her favorite memories are those with the cello section. She looked forward to every rehearsal with them and will miss their silly humor and contagious laughter. We wish her luck as she begins her nursing career!

**Lucas Forbear** (*trombone*) has been a part of MYSO's brass section for three years. He is graduating from Plainfield Central High School and will be attending VanderCook College of Music to study music education, where he has been awarded with a VanderScholar full tuition scholarship. Lucas will remember the embarrassment of playing Bruckner's 8th with his fellow brass friends before the start of MYSO's spring concert and watching everybody turning their heads in shock and awe.

**Emily Formella** (*violin*) has played with MYSO for two seasons. She is graduating from Lockport Township High School and plans to attend the University of Illinois to major in bioengineering. She is a National Merit Commended Scholar. Her favorite MYSO memory is playing *Swan Lake* at one of our concerts.

**Montgomery Henry** (*oboe*) is graduating from Bolingbrook High School, and has been a part of MYSO's oboe section for four years. He has received the Joseph Madura Memorial Scholarship and will be attending Northern Illinois to major in Composition and Music Education. Montgomery has enjoyed his time in MYSO, where he has made so many new friends and experienced new conductors' unique styles.

**Ben Keene** (*violin*) has played in our violin section for four years. He is graduating from Joliet West and will be attending Illinois State this fall. Ben will be double-majoring in music education and music composition, and hopes to become a high school band or orchestra director. Ben's favorite MYSO memory is when we played Beethoven's *Fifth* and the Saint Saens' *violin concerto* featuring his violin teacher as the soloist, all in the same concert program.

**Kalan Kostal** (*clarinet*) has been playing with MYSO for just a couple short months, but is an asset to our clarinet section. She will be graduating from Lincoln Way Central and wants to pursue music education at Western Michigan University. During her short time with MYSO, she has found everyone to be incredibly nice and welcoming to her!

**Lauren Lano** (*trumpet*) joined MYSO this past January. She graduates as a homeschooled senior and plans to attend Bradley University to major in psychology in hopes of becoming a therapist. She won the Presidential Excellence Scholarship and will be a part of the honors program at Bradley. She is thrilled to be playing *The Phantom of the Opera* at this concert with a great group of musicians, as it is her favorite music with an incredible score.
